Opening Remarks

Labibah Zain

Head of UIN Sunan Kalijaga Library
LIS Lecture

The advisory Board of Association of Indonesian Islamic Higher Education Libraries
The President-elect of Special Library Association Asian chapter

Assalamualaikum Warohmatullohi Wabarokatuh.
Greetings!

It is our great honor to welcome you to the ICoASL 2017 and to the Sunan Kalijaga State Islamic University Yogyakarta Indonesia.

We would like to thank to Special Library Association -Asian Chapter for choosing Indonesia as the ICoASL 2017 venue. In this opportunity, we also would like to thank to all supporting intitutions: The National Library of Indonesia, Indonesian Special Libraries Forum, Library and Archive Board of Yogyakarta Province, Goethe Institute, UIN Sunan Kalojaga LIS Student Associations, sponsors, exhibitors, speakers, moderators, paper presenters and all delegates for the big supports and cooperation.

Have fun and enjoy the experience of the campus life and the atmosphere of The Cultural City of Yogyakarta.

Terimakasih

Prof. Drs. KH. Yudian Wahyudi, PhD

Conference Information

5th International Conference of Asian Special Libraries
(ICoASL 2017) Curation and Management of Cultural
Heritage through Libraries: Challenges and Opportunities for
the Digital Society

About The Organizers

The **Special Libraries Association (SLA) -Asian Chapter** with Global Headquarters in Virginia, USA is already 107 years in existence since it was founded in 1909. It is one of the largest global information related associations with over 9,000 members in 75 countries with 56 chapters and 27 divisions. It is also a not-for-profit organization serving information profession, including corporate, academic, government, media, finance, science, research, museums, trade associations, nonprofit organizations and non-traditional enterprises. The **Asian Chapter of SLA** is one of the fastest growing chapters with over 150 members around the globe - Bangladesh, Hong Kong, India, Indonesia, Japan, Laos, Macau, Malaysia, Myanmar, Mongolia, Nepal, Pakistan, Philippines, Singapore, South Korea, Sri Lanka, Taiwan, Thailand, Vietnam, Australia, UK, and USA.

Sunan Kalijaga State Islamic University (UIN Sunan Kalijaga) has been founded since 1947 and recognized as one of the oldest Islamic Higher Education University in Indonesia. The Vision of this university is to provide superior education in the integration and development of Islamic studies and science for civilization. The core values developed by UIN Sunan Kalijaga are Integratif-Interkonektif: Model of education and study with an integrative system of academic development, management, student affairs, collaboration and entrepreneurship; Dedikatif-Inovatif: Approach that is characterized by trust, a pro-quality orientation and a commitment to creativity, intelligence and innovation; Inklusif-Continuous Improvement: Including openness, accountability and dedication to change and advancement. Supported by the representatif university library, UIN Sunan Kalijaga becomes one of the recognized universities with highly quality assurance.

Objectives

The objective of the ICoASL 2017 is to provide a platform for exchange of knowledge and skills relevant to information professionals in Asia with a global perspective. These endeavors will contribute to establish our global identity much firmer than ever for the sustainable library future.

Topics

The following topics, but not limited to, are strongly encouraged.

Related Topics

How can the libraries take part in preserving cultural heritage in the digital era?

Collection management, organization of information, preservation and conservation, digital curation, archiving, open access, linked open data, repositories, disclosure of information, information commons, intellectual property, and other related topics.

How can the libraries best serve and educate the community to learn the cultural heritage?

Customer satisfaction – addressing clients' changing needs and demands to be able to provide more responsive client services, and user-friendly techniques and devices; research assistance; personalized and customized services; service evaluation; marketing and public relations: service design, communication, social media; digital library solutions; and other related topics.

How can the libraries increase linkages and develop future partnership?

Collaboration , cooperation and partnership among colleagues, institutions and business entities; going beyond the box – the role of public relations and marketing strategies to help promote the library; and ethics and professionalism in library and information services – preparing, developing, and strategizing leadership to bring about a culture of values and sense of accountability in the future leaders of LIS.

How can the librarians enhance their competencies beyond the profession?

New functions of the libraries, new roles of the librarians, continuing education, subject specialist, data librarian, user training, information literacy, social status of librarians, the future of the profession, library related legislations, and other related topics.

Call For Papers

The conference invites papers on the above theme and topics from the professional librarians around the world. Papers should be submitted before December 31, 2016.

Who Should Attend

The conference expects global participation by information scientists and professionals involved in library research, practice, and other related disciplines in the field of library and information studies such as:

- Library and information science professionals
- Content and knowledge managers
- Information technology professionals
- Information providers including vendors, aggregators, publishers, etc.
- Policy makers
- Educationists and academicians
